BRAUN, Nancy

Legal Position

Preferred Field: Small to Medium Law Office/Firm

Geographic Area: Warren County, Dayton, Cincinnati and surrounding areas

Contact: (513) 334-9412 | nancy.braun19@yahoo.com

PROFESSIONAL SUMMARY

I have 4 years of experience in the law working as an attorney in administrative hearings at the Michigan Attorney General's office processing liquor and gambling violations and as a legal secretary at Blue Cross Blue Shield of Michigan in four divisions: the Medical Malpractice Trust Fund, Medicare/Medicaid Compliance, Subrogation, and certifying and processing class action suits. I am a graduate of Thomas M. Cooley Law School (2010) and have successfully completed the Tennessee Bar exam (2010) and am licensed to practice law in Tennessee. My unique combination of talents and skills, which include the legal research, accounting, journalism, and management and leadership skills, allow me to thrive in a fast-paced environment, where I am able to multi-task, work with others and independently. I am determined, driven, and confident in my legal abilities and am looking for a career filled with purpose, passion, and client satisfaction.

SPECIAL/UNIQUE SKILLS

I have real in-court experience and administrative experience, including questioning and preparing witnesses and presenting evidence. I have management experience and leadership training and experience. I have experience in conflict resolution, I work best under pressure, and am able to communicate and resolve issues with all types of people.

PROFESSIONAL SUMMARY

Being an 'Energizer bunny,' that likes to achieve results, my degree from The Ohio State University and my 14+ years of work experience has served me well with the diverse group of people that I have worked with. My education and career experience has helped to shape me into a person that is a highly organized, disciplined learner and effective communicator. I am motivated and passionate about the success of the organization and encouraging others to challenge themselves to reach for new levels of achievement. My life experiences and attention to detail have instilled in me the skills necessary to succeed in whatever tasks I am assigned. I thrive in an environment that allows for individual development and group cooperation. In return, this can result in increased productivity for individuals, strengthened groups, and an improved knowledge of the goals, tasks and mission of the organization.

SPECIAL/UNIQUE SKILLS

My personal skill set and life experiences give me a broad base of knowledge and an intense desire to succeed in whatever I do. I am a forward thinker who focuses on the future while being aware of past mistakes and the need for continual improvement. Highly organized, disciplined learner, effective communicator, achiever.
